DMLA Sponsorship

DMLA sponsors are amazing – supportive, innovative, concerned, involved and more besides. We are inspired by you and thank you daily for enabling us to continue our work protecting, supporting and informing the Visual Media Industry.

Benefits

Becoming a Sponsor of DMLA — whether for the International Conference only or throughout the year — allows you to promote your company while supporting a good cause. For more than 70 years, DMLA has served as the voice of the digital media licensing industry. Sponsors are vital to the sustainability of DMLA's education, advocacy and connectivity initiatives, which are needed now more than ever.

Types of Sponsorship

DMLA has two categories of sponsorship each with multiple price levels:

Sustaining Sponsor

Support DMLA's activities throughout the year, including the conference.

Event/Program Sponsor

Support individual events and/or the conference.

All sponsorships are subject to approval by the DMLA Board of Directors. Sponsorship benefits commence upon payment in full of the sponsorship fee and end September 1, 2022. There may be multiple sponsors at any given level unless otherwise designated as exclusive. Some conference panel and session sponsorships are exclusive, granted on a first-come, first-served basis, as noted below.
